

Original Microfibre Cloth - 40 x 40 cm - red - 10 pack

GENERAL

3083 0019

Durable, ultimate quality microfibre cloth for cleaning almost any surface.

- Time savings through effective and fast cleaning.
- Can be washed at least 600 times.
- Can absorb six times its own weight.
- Strong edge finish, so that the microfibre cloth does not shrink.
- Nordic Swan Ecolabel.

The Greenspeed® Original microfibre cloth is dry, as well as slightly damp, the ideal partner for daily cleaning of practically every surface. The microfibre technology of Greenspeed® guarantees quality and provides this durable cloth with its unique cleaning and absorbing capacities. With good reason, the Original microfibre cloth is certified with the Nordic Swan Ecolabel, the Scandinavian label that imposes strict requirements concerning environment, quality and health.

Used dry, the Original is an ideal dust cloth. Slightly damp, it removes dust and dirt without any problem, leaving no wipe marks. TNO research proved that an Original microfibre cloth, charged with only water, removes dirt even faster and more effectively than a traditional cloth charged with a detergent.

Due to the sound finish of the edges of the Greenspeed® Original it is a non-shrinkable microfibre cloth that, even after many launderings, keeps its original dimensions.

USAGE

- Before using the first time, wash the cloth once in the washing machine.
- Fold the cloth (3x double).
- Use all 16 surfaces one by one, change regularly.
- Used dry, the Original is an ideal dust cloth. Slightly damp, it removes dust and dirt without any problem, leaving no wipe marks.
- For damp cleaning: Spray on the cloth with a spray bottle.
- We recommend washing the cloths at 60° C using a washing detergent suitable for coloured fabrics. Wash the red cloths with red fabrics. The colour may give off during the first washing.

Machine wash, 90 °C

Do not bleach

Tumble dry, low heat (60 °C)

Do not iron

Wash without fabric softener
