

Wash Soft - 5 l

GENERAL

Fabric softener for household and semi-industrial machines.

- Natural softness for all laundry.
- Makes ironing easier.
- Respects the skin.
- Protects vegetable and synthetic fibers.
- Floral perfume.

Wash Soft is an ecological fabric softener for professional use. Wash Soft can be used for all types of vegetable and synthetic textile fibers. Wash Soft makes the linen extra soft and fresh, accelerates the drying process and neutralizes electrostatic charges. Wash Soft is suitable for domestic and semi-industrial machines. Using Wash Soft makes the ironing process easier. Tip: NEVER use fabric softener when washing microfiber cleaning cloths and fibers of animal origin. Wash Soft is free from chlorine or other halogen compounds, phosphate substitutes that are poorly biodegradable and detergents derived from petroleum. All detergents used are of vegetable origin. All ingredients of non-mineral origin are completely biodegradable.

pH 2.5

USAGE

Add Wash Soft to the fabric softener dosing compartment. Use 30 ml of Wash Soft for synthetic fabrics or 60 ml for natural fabrics. Do not apply the product directly to the laundry.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
