

Pack Hydra Telescopic Handle with 2x Hydra Slide

GENERAL

Super agile and hygienic floor squeegee and mop system.

- Unique cleaning power by concentrating force on the narrow strip of the floor squeegee, combined with microfibre.
- The Hydra floor system reduces washwater volume compared to standard mops.
- High-quality, soft rubber (replaceable).
- Effective and fast cleaning thanks to high-quality microfibre.
- Ergonomic striped floorcloth structure for easy sliding over the floor.

Suited for

Thermoplastic flooring in PVC or vinyl - Linoleum - Flooring covered with a polymer protective film - Rubber flooring - Natural stone, non acid sensitive - Ceramic tiles - Flooring in concrete, poly-concrete, unglazed tiles and cement based composite floors - Screeds, epoxy flooring, PU flooring and resin based composite floors - Wooden flooring covered with a polymer protective film

USAGE

1. Before first use, wash the floorcloth once in the washing machine.
2. Impregnate the Hydra floorcloth: Use a maximum of 150 ml water per floorcloth. For 5 floorcloths, use a maximum of 750 ml water. Place half of the floorcloths in a bucket. Add half of the water. Place the remaining floorcloths in the bucket and add the rest of the water. The floorcloths are now damp for optimal use.
3. Fit the opening of the Hydra floorcloth over the hooks of the floor squeegee, and then place the floor cleaner on the floor with the squeegee on the floorcloth.
4. Start cleaning, and regularly move the floor squeegee backwards on the floorcloth. Use both sides of the floorcloth.
5. Remove the floorcloth hygienically by pulling a loop to the side, and place the floorcloth in the laundry net.
6. We recommend washing the floorcloths at 60°C with a detergent for coloured fabrics, such as Greenspeed detergent. Lower washing temperatures help protect the environment.

Machine wash, 90 °C

Do not bleach

Tumble dry, low heat (60 °C)

Do not iron

Wash without fabric softener

Pack Hydra Telescopic Handle with 2x Hydra Slide

TECHNICAL SPECIFICATIONS

Dimensions product (WxHxD) 16.5 x 7.5 x 148 cm

Content:
