All Purpose Cleaner Lemongrass & Ginger

5L

ecover works for you

A little bit of our all-purpose cleaner—like a smile or a pinch of cayenne pepper—goes a long way. Just a capful cleans hard surfaces.

Thanks to bee hive science, we can make naturally derived “eco-surfactants” that clean as effectively as petrochemical cleaners.

Concentrated formula (for concentrated power). Contains and ships less water and uses less energy to make.
