

APPLICATION

Highly concentrated floor and interior cleaner for heavy duty tasks.

- Extra cleaning power.
- Both manual use and floor scrubbing machines.
- Pine perfume.
- EU Ecolabel.

Multi Forte is a powerful, ecological floor and interior cleaner professional use. This product is suitable for daily and periodic cleaning of water-resistant floors using a mop, cloth, or scrubber-drier. It is formulated for cleaning moderately to heavily soiled floors in garages, workshops, production areas, etc. Besides readily degradable limescale removers Multi Forte contains low-foaming, rapid-acting detergents, which make it exceptionally suitable for use in machines. Do not use this product on untreated wood or parquet floors. Multi Forte is free from chlorine compounds, other halogen compounds, inorganic acids, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully degradable.

INSTRUCTIONS FOR USE

Manual use: Prepare a 0.2% solution by adding 10 ml (1/2 capfuls) of Multi Forte to a bucket containing 5L of water. Clean the floor with a mop or cloth. Allow to work in for 1 to 5 minutes if necessary. Rinsing is not necessary. The concentration can be doubled in case of heavy soiling. Machine use: Prepare a 0.2% solution of Multi Forte in the scrubber-drier (20 ml per 10L of water). Clean the floor with the machine. Allow the cleaning solution to work for 1 to 5 minutes if necessary. The concentration can be doubled in case of heavy soiling.

TECHNICAL SPECIFICATIONS

appearance	Liquid
colour	Green - Blue
odeur	Pine
solubility in water	Complete
pH-value	8.5 (undiluted product)
relative density 20°C	1,024 Kg/L
flash point	55-100°C
