GOLD

Highly concentrated interior and floor cleaner for daily use.

- For all water- resistant surfaces.
- No rinsing necessary.
- Both for manual use and floor scrubbing machines.
- Fresh lemon perfume.
- Cradle to Cradle.

Multi Daily is a highly concentrated ecological interior and floor cleaner for daily use, only for professional use. This product easily removes all forms of grime from water-resistant surfaces such as walls, doors, cabinets, tables, etc. Multi Daily is mildly perfumed and does not leave any residues. It combines excellent cleaning power with sustainable credentials. With its neutral pH it is safe to be used on all hard surfaces. Multi Daily is free from chlorine compounds, other halogen compounds, inorganic acids, and petroleum-based detergents. All detergents used in these products originate from Vegetable sources. All ingredients of non-mineral origin are fully degradable.

pH 6

Suited for

Thermoplastic flooring in PVC or vinyl - Linoleum - Flooring covered with a polymer protective film - Rubber flooring - Natural stone, acid sensitive (limestone) - Natural stone, non acid sensitive - Ceramic tiles - Flooring in concrete, poly-concrete, unglazed tiles and cement based composite floors - Screeds, epoxy flooring, PU flooring and resin based composite floors

USAGE

Prepare a 0.2 % solution by adding 10 ml of Multi Daily to a bucket containing 5 l of water, or 20 ml to 10 l of water. Clean the surface with a sponge or cloth. Rinsing is not necessary. The concentration can be increased in case of heavy soiling. Multi Daily can also be used in a scrubber machines.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
