GOLD

Highly concentrated floor and interior cleaner for heavy duty tasks.

- Extra cleaning power.
- Both manual use and floor scrubbing machines.
- Pine perfume.
- Cradle to Cradle.

Multi Forte is a powerful, ecological floor and interior cleaner professional use. This product is suitable for daily and periodic cleaning of water-resistant floors using a mop, cloth, or scrubber-drier. It is formulated for cleaning moderately to heavily soiled floors in garages, workshops, production areas, etc. Besides readily degradable limescale removers Multi Forte contains low-foaming, rapid-acting detergents, which make it exceptionally suitable for use in machines. Do not use this product on untreated wood or parquet floors. Multi Forte is free from chlorine compounds, other halogen compounds, inorganic acids, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully degradable.

pH 8.5

Suited for

Thermoplastic flooring in PVC or vinyl - Linoleum - Flooring covered with a polymer protective film - Rubber flooring - Natural stone, acid sensitive (limestone) - Natural stone, non acid sensitive - Ceramic tiles - Flooring in concrete, poly-concrete, unglazed tiles and cement based composite floors - Screeds, epoxy flooring, PU flooring and resin based composite floors

USAGE

Manual use: Prepare a 0.2 % solution by adding 10 ml of Multi Forte to a bucket containing 5 l of water. Clean the floor with a mop or cloth. Allow to work in for 1 to 5 minutes if necessary. Rinsing is not necessary. The concentration can be doubled in case of heavy soiling.

Machine use: Prepare a 0.2 % solution of Multi Forte in the scrubber-drier (20 ml per 10 l of water). Clean the floor with the machine. Allow the cleaning solution to work for 1 to 5 minutes if necessary. The concentration can be doubled in case of heavy soiling.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
