

## Wash Soft - 10 l Bag-in-Box

### GENERAL

BE/039/001

Highly concentrated, ecological, liquid fabric softener for automatic dosing.

- Softens fibers and eliminates static electricity
- Facilitates ironing
- Leaves a long-lasting fresh fragrance
- Suitable for all water hardnesses
- Biodegradable, free of petroleum-derived detergents
- Spill-proof connection and safe, easy handling thanks to the fully enclosed Bag-in-Box system with integrated color coding

pH 3

### USAGE

To be used via automatic dosing. It is important to respect the recommended dosage and the lowest recommended temperature to keep energy and water consumption as low as possible and to prevent water pollution. Always wash with the maximum possible load.

*Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.*
