

Wash Booster - 10 l Bag-in-Box

GENERAL

BE/039/001

GOLD

Highly concentrated, ecological, liquid booster for automatic dosing.

- To be used in combination with a detergent
- Alkaline, enhances washing power and de-staining effect
- Suitable for all types of textiles, except very delicate linen
- Suitable for all water hardnesses
- Biodegradable, free of petroleum-derived detergents
- Spill-proof connection and safe, easy handling thanks to the fully enclosed Bag-in-Box system with integrated color coding

pH 13,5

USAGE

To be used via automatic dosing. It is important to respect the recommended dosage and the lowest recommended temperature to keep energy and water consumption as low as possible and to prevent water pollution. Always wash with the maximum possible load.

The dosage depends on the water hardness and degree of soiling. Contact the local water distribution company for exact water hardness values.
