

Crystal Liquid - 10l Bag-in-Box

GENERAL

BE/038/001

BRONZE

Highly concentrated, ecological, liquid dishwasher detergent for automatic dosing.

- Degreases powerfully and cleans hygienically even at low dosages
- Prevents calcification of the machine and the dishes
- Suitable for use in medium-hard to hard water
- Biodegradable, free from chlorine or other halogenated compounds
- Spill-proof connection and safe, easy handling thanks to the fully enclosed Bag-in-Box system with integrated color coding

pH	13,4
Cleaning Power	Super powerful

USAGE

Use with an automatic dosage system for optimal usage. Respect the recommended washing temperature of 50 - 65°C, optimise dishwasher loading and do not use more than the recommended dose of detergent. Use Crystal Liquid preferably in combination with rinse agent Crystal Rinse. Not recommended for use on aluminium dishes and other alkali-sensitive materials such as copper, brass, rubber...

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
