

Crystal Rinse - 10l Bag-in-Box

GENERAL

BE/038/001

BRONZE

Highly concentrated, ecological, liquid rinsing agent for automatic dosing.

- Preserves the shine of dishes and removes dull veils from glassware
- Ensures fast drying
- Especially suitable for use in hard to very hard water
- Biodegradable, free from chlorine or other halogenated compounds
- Spill-proof connection and safe, easy handling thanks to the fully enclosed Bag-in-Box system with integrated color coding

pH	3
Cleaning Power	Mild

USAGE

Use with an automatic dosage system for optimal usage. Respect the recommended washing temperature of 80°C, optimise dishwasher loading and do not use more than the recommended dose of detergent. Use Crystal Rinse preferably in combination with detergent Crystal Liquid.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
