

APPLICATION

Highly alkaline power cleaner for periodic use.

- Removes very stubborn soiling such as nicotine, soot, oil and grease.

Techno Magic is an ecological, strongly alkaline multi-purpose cleaner for professional use. This product removes heavy dirt and grime such as grease, nicotine, etc. Do not use this product on soft metals such as aluminum, copper, zinc or brass. Test the resistance of the material before use. Techno Magic is free from chlorine compounds, other halogen compounds, inorganic acids, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully degradable.

INSTRUCTIONS FOR USE

Prepare a 1% solution by adding 50 ml of Techno Magic to a bucket containing 5L of water. Clean the surface with a cloth or sponge and rinse. The concentration can be increased for cleaning very heavily soiled surfaces.
