GREENSPEED
crazy about cleaning

Wash Total - 7,5 kg

GENERAL

General- purpose washing powder for use in domestic and semiindustrial machines.
- Excellent stain removal, even at low temperatures.
- Cleans hygienically.
- Suitable for all white and colourfast washing.
- Contains no optical brighteners.
- Flower perfume.

Wash total is an ecological laundry powder for professional use. Wash total is formulated for washing white and colourfast laundry made from cotton or synthetic fabrics. Wash total removes all grease, protein and starch stains. Wash total contains ingredients to prevent
the formation of limescale deposits and oxygen-based bleaching agents to yield superior cleaning results. Wash Total is lightly perfumed. This product is suitable for use in domestic and semiindustrial machines. Wash total is free from chlorine compounds, other halogen compounds, phosphates and poorly degradable phosphate substitutes, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully biodegradable.

pH 10,5

USAGE

To respect the environment, run your washing machine with a full load, choose low temperature washing cycles and follow dosage instructions. Keep in a dry place, and seal the bag or bucket after use.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
