Washing-up Liquid - Lemon and Aloe Vera

1L

ecover works for you

Our washing-up liquid cuts through grease and grime to leave your dishes spotless and squeaky clean, all with a gentle refreshing fragrance

If you wonder why our products smell so nice, it's because we make the most of what our planet gives us...fresh naturally-derived fragrances.

Our famous ecological factories are energy efficient, sustainably built & clean running. So Ecover products have come from our clean, green home to yours.

ingredients

5-15%: non-ionic surfactants, anionic surfactants; <5%: perfume (limonene). Others: water, lactic acid, sodium chloride, alcohol denat., citric acid, sodium citraat, extract aloe vera

instructions for use

One squeeze is enough for a sink full of dirty dishes. Doesn't generate excessive bubbles.

packaging material

Bottle is made from renewable polyethylene (75%; sugar cane) and recycled polyethylene (25%; PCR); cap is made from polypropylene; label is made from polyethylene and polypropylene.

about ecover

At Ecover we have been pioneering green science for over 30 years to make effective, plant-based cleaners that are good for the planet and the people on it. Now the trees might hug you back.
