

GS Probio Tab Floor Scrub - 50 x 15 g

GENERAL

- Probiotic floor cleaner in tablet form for daily use with environmental benefits.
- For manual and machine cleaning of all water-resistant floors.
 - Save up to 99% CO2 in transport, 99% in storage space & guarantee safe and precise dosing at all times thanks to the tablet form.
 - Efficient formula with plant-based ingredients and probiotics that remain active for up to 3 months after dissolution.
 - Cleans joints and provides a pleasant fragrance experience.

Today, many ready-to-use products in single-use plastic packaging are being used, while they mostly contain water. Greenspeed offers a solution to this problem: Probio Tabs. Probio Tabs are packed in 100% plastic-free packaging and are best used with our reusable sprays. In this way you help to significantly reduce the use of plastic. Thanks to the efficient tablet format there is no need for us to transport unnecessary water, as you simply add this yourself. In this way we save up to 99% CO2 in transport. The compact tablet format also saves you 99% in storage space. The tablet provides a very simple and always accurate dose without requiring extra measuring equipment (1 tab = 1 spray).

The probiotics in Probio Tabs remove organic dirt that is deeply embedded in the surface. Delivering quick and long-lasting clean results. Along the way, they also leave behind a long-lasting fresh scent. When they re-enter the ecological cycle after use, they actively help to clean our water and maintain a natural microbial balance. Contrary to many chemical cleaning products, probiotic products are very safe to use. The microorganisms used are 100% natural.

pH 7
Cleaning Power Powerful

USAGE

1. Dispense 1 Probio Tab Floor into the tank.
2. Fill the tank with water
3. Wait about 5 minutes for the tablet to fully dissolve

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
