- Ready-to-use toilet cleaner
- Cleans surfaces and leaves behind a long-lasting enjoyable scent
- Prevents limescale deposits and blockages
- Mildly acidic formula
- Fresh fragrance

After years of expertise in probiotic cleaning, Greenspeed is proud to introduce Trebio, the 3rd generation of probiotic cleaning. This revolutionary line marks a significant leap forward, building on the successful Probio and Synbio product lines. Trebio enriches this legacy with the Trebio Consortium, an advanced blend of probiotic bacteria that takes cleaning to unprecedented levels of effectiveness and sustainability. Trebio's superior performance is due to the Trebio Consortium, a carefully blended blend of three specific strains of Bacillus species: Bacillus subtilis, Bacillus amyloliquefaciens and Bacillus pumilus. These third-generation strains were not chosen at random; they were specifically selected and optimised for their synergistic effects and unique, enhanced properties. This sets Trebio apart from traditional cleaning methods and previous probiotic generations.

pH	4,5
Cleaning Power	Powerful

USAGE

Shake well before use. Ready to use formula.

Store the product between 10°C and 40°C, protected from direct sunlight.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
